Letter from Co-Founders

We are honored to invite you to join us as a valued sponsor for the Sai Dham Food Bank Golf for Humanity Fundraiser.

"A hungry child cannot learn, grow, or thrive. That's the reality we're trying to change. Golf for Humanity is our call to action—a chance for our corporate and community partners to step up and help nourish young lives with the meals they need to succeed.

Your support will directly impact how many children we can feed this year. Let's make it count."

The Golf for Humanity event will bring together corporate leaders, community influencers, and philanthropists for a day of purpose-driven play - **to ensure children in underserved communities have consistent access to nutritious meals.**

Thank you for considering this opportunity. We look forward to partnering with you to make this event a success.

Warm regards,

Vishal Khanna and Subhra Mukherjee

About Golf for Humanity

Golf for Humanity is a premier charitable golf tournament hosted by Sai Dham Food Bank, bringing together corporate leaders, community influencers, and philanthropists for a day of purpose-driven play.

This year's tournament carries a deeply meaningful goal: to ensure children in underserved communities have consistent access to nutritious meals. With rising food insecurity across the GTHA, too many children are going to school and bed hungry. Your support will help us change that.
